Dear Colleague:

Do you have?

- A project that never seems to come off the senior management "To Do List"?
- A desire to help a student advance their skills in healthcare management and insurance?
- Fond memories of a mentor early in your career that you would like to pay forward?
- A pressing deadline a particular project?

If you answered yes to one or more of these questions please contact us about the Internship in Healthcare Management program. We have a pool of prepared and motivated students available for summer 2011 internships.

Prior interns have completed a wide list of tasks which have included:

- Health care studies for a major insurer
- Senior and retiree group sales for a major insurer
- Election analysis for an international consulting firm
- Private equity consolidation in health care purchasing for a consulting firm
- Health informatics creating well aware reports for a major insurer
- Assisting a consultant with health plan design
- Updating procedure manuals
- Health data management for a pension group
- Community relations and urban marketing for a major insurer
- Overhauled website and conducted interviews with users
- Bill and eligibility audits within a human resources department

As a regional program we have students from most of the North East Corridor. We are flexible and will work with preceptors to find mutually beneficial projects.

Thank you for considering an internship and we look forward to working with you. If there is a preferred contact person for your organization please let us know.

Sincerely,
